TIME PASSAGES

The 1980's are opening many doors to the world of advanced technology and computerization. We are becoming a fast forward society — constantly changing, improving, and advancing our intelligence. Unlimited goals are set, new challenges are confronted, better worlds are built. We continually look toward the future's promises through mechanical eyes.

But, as technology advances and creates new surroundings about us, a nostalgic feeling lives within us — the memory. All those yesterdays will make us laugh and cry, sigh and love, think and wonder. An old song, a familiar face, good times — these things are stored in a special place in all our minds. The *1983 SHIELD* takes us through Time Passages, creating an atmosphere with new hopes for tomorrow and memories to carry us through life's many dimensions.

“Without history, the future would be impossible.”

Mrs. Grace Robertson teaches history with zeal to guide students through the present and the future. Her active participation in community services and school activities serves as a model for both her students and colleagues to follow. The sincere enthusiasm and dedication she exhibits toward the teaching profession and everyone around her are rare qualities which are inspiring to all. The care and love she devotes to her family is extended to her students through her kindness and genuine concern.

To honor her involvement in her home, school, and community, and the instruction she has given to lead individuals through the future, the 1983 SHIELD is dedicated to MRS. GRACE ROBERTSON.

G.H.S. VARSITY FOOTBALL

The G.H.S. Varsity Spartans won 9 games and lost 1 and became The New River District Champs. The spirit through Giles, including the students, and the spartan fans was at its peak, when Giles went up against Gate City for the River IV semi-final championship. The game ended in another victory for the Spartans and provided a chance at the Region IV Championship. The game was played at Tazwelle; the Spartans were backed 110% by the fans. The Spartans played well but the game ended in a 31-17 victory for Tazwelle. The team and its coaches became very well respected because of their quality football playing, dedication and spirit. A winning Spartan football team has become a tradition at Giles.

VARSITY CHEERLEADERS

Practice for the Varsity Cheerleaders started in May with long practices. They went to the Cheerleaders' Clinic at UNCC in July, and gained new ideas for the spirited upcoming year. The cheerleaders showed their spirit by painting signs, instigating spirit dress-up days, planned and performed at pep rallies and games, sponsored the Homecoming dance, did various things on the PA, sold ads for Basketball posters, decorated the cafeteria bulletin board each month and participated in Homecoming and Christmas Parades. As Spartan Fans can see the Varsity Cheerleaders did their all to make this year successful!!

The Girls Volleyball team had a good season this year despite the inexperience of the team. At the beginning of the season only six of all the players had played before on the team. All in all the inexperience did not play too much a part. The players showed much improvement within the first few weeks of practice. They learned to work together and to show, the much needed, team spirit. Throughout the season, win or lose, the team stuck together. The score could have been 13 to 3 in the opponent's favor but the sound of the players on the bench was louder than ever. The players played all the games to the very end. The team had many exciting games and the quality of play was more important than the outcome of the game. The team lost a few games but they never lost their spirit, and this is what carried them through to several victories.

With only 3 returning starters, a young Spartan baseball team took to the diamond this season. Mike Williams and Ronald Hoston, who pitched a one hitter against Radford, provided a solid pitching crew while the bats of Phillip Pennington, and Steve Collida produced an average of 6 runs per game. Heff Perkins, who scored the winning run against Narrows in an extra inning thriller, and Stevie Wilson played marvelous defense along with a corps of talented outfielders. SHIELD STAFF STUFF

Cutlines, picas, crop marks, quad-paks, 30 point headlines — these are familiar words to the 21 members on the 1982-83 Shield Staff. Each member worked diligently to complete their pages for deadlines. With the helpful guidance and advice from Advisor Donna Johnston, the 208-page yearbook was a rewarding project for everyone. Along with the hard work and organization, Shield staffers enjoyed a Pizza Hut get-together. Joe Richardson, the yearbook representative, treated members to a dinner at the Red Lion Inn in late May to end a successful year for the Annual Staff.

SCA President Patrick Muldoon begins the election assembly.

The 1982-83 year was a productive one for the SCA. In keeping with tradition, the biggest project was Homecoming. The Parade and half-time activities organized by the members and sponsors highlighted the Homecoming festivities. During the course of the year, the SCA made benches for the front lawn and signs that were posted in the smoking area, and the Constitution was amended to better suit the club's purposes and functions. Elections were held in March for next year's officers.

Teachers were helped with errands or bulletin boards. One SAE committee helped parents find their way to classrooms on Parent-Teacher Conference Day. Money was raised to place a mirror in the girls' bathroom. A scholarship was awarded a senior who will enter a college preparatory teaching course. SAE has been active and successful with their projects this year.

THE BAND CLUB.

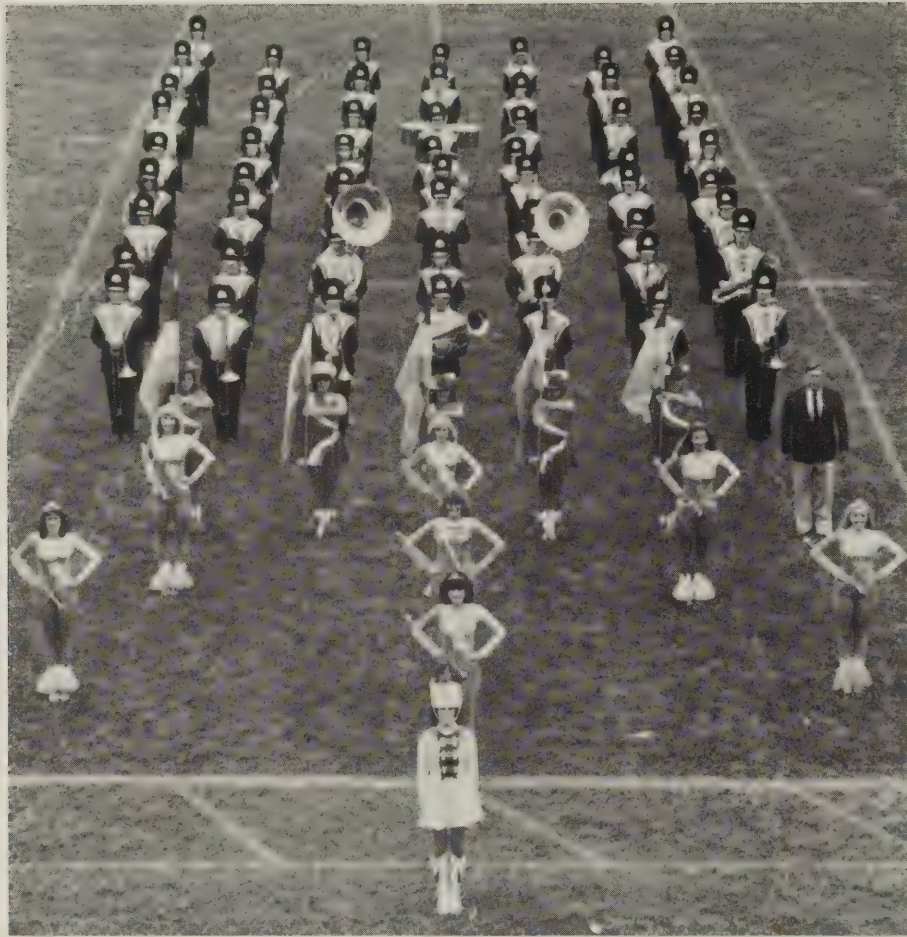

Club Members

After the 1981-82 school year, several band members felt the need for an organized club. This club's purpose was to promote school spirit and enthusiasm within the band. During the summer months the club organized car washes and bake sales for future band expenses. This club was successful thanks to "Band Members Who Care."

BAND

Giles High School Marching Band

The Band began the school year by practicing for their halftime performances at the football games. They were also responsible as usual, for marching in parades and playing at each pep rally. For the first time in several years, the Band used a drum majorette. This not only added to the overall appearance, but also helped Mr. Gollehon, the director. The Band also gave two concerts during the year, and took their annual trip to Statesville, North Carolina, where they participated in the Dogwood Festival. Some of the money used for the trip was made by several band members during the summer months. Because of these people the band organized a new club. They hoped that this club would promote spirit within the band and it did. The band experienced a year of change, but still a year to be proud of.

CIVILIZATIONS

Journeys of the Civilizations

Eighth graders embark on a five-year journey. They adjust to a new environment filled with crowded halls, challenging assignments, and unfamiliar subjects. Their expedition is difficult in the first year, but it also has its rewards.

Freshmen continue the journey. Now that they are adjusted, they sense their freedom to explore their surroundings. Their enthusiasm leads them to search for individuality. There are many horizons yet to be explored and their curiosity causes them to travel on.

Sophomores have established themselves as they are now midway through the voyage. They gain experience and discipline, but their roles are becoming more demanding. They begin to prepare for the challenges ahead.

A solid course is set by the juniors. Their expedition is marked by strong leadership and determination. With a large part of the journey behind them, they continue to develop their abilities for the course to come.

Seniors complete the journey with treasured memories and tremendous accomplishments. Many hardships have been endured. It has been a rigorous but rewarding course, a voyage that will never be forgotten. They are now prepared for the life-long trek ahead of them.

THERE ARE MOUNTAINS IN OUR WAY . . .

UP WHERE WE BELONG*

Who knows what tomorrow brings;
In a world, few hearts survive?
All I know is the way I feel;
When it's real, I keep it alive.

Some hang on to "used-to-be,"
Live their lives looking behind.
All we have is here and now;
All our life, out there to find.

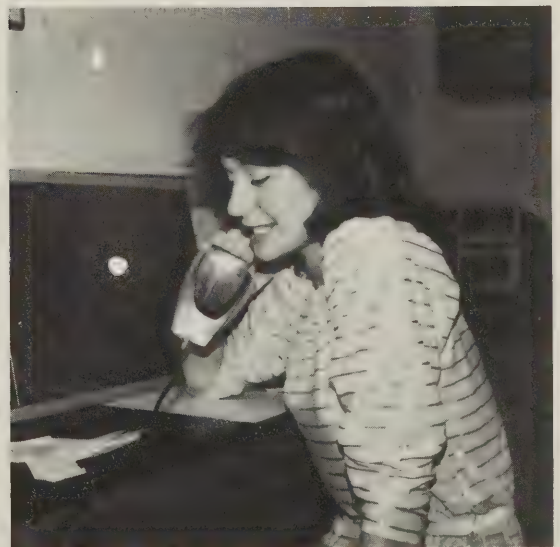

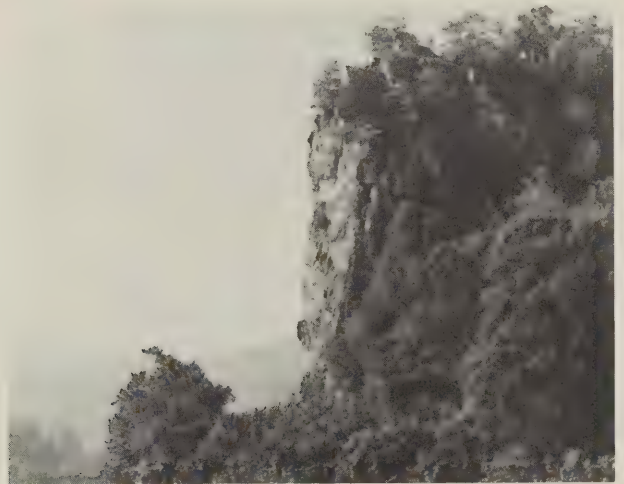

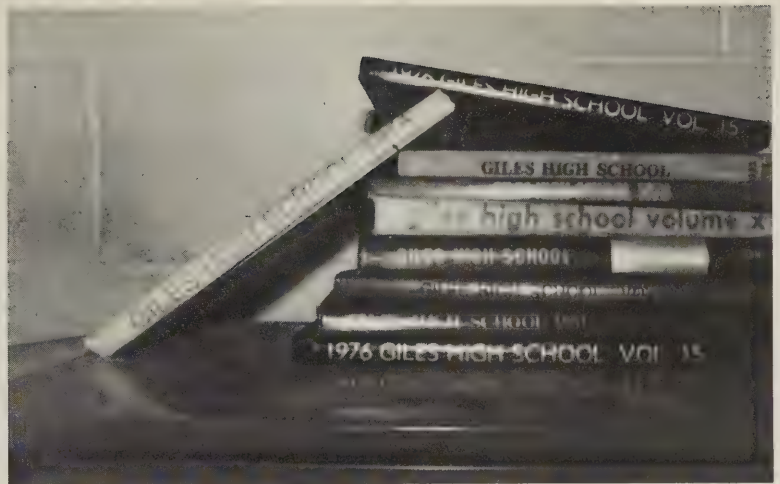

The road is long.
There are mountains in our way,
But we climb a step every day.

Love lift us up where we belong,
Where the eagles cry on a mountain high.
Love lift us up where we belong,
Far from the world where we know;
Up where the clear winds blow.

Time goes by, no time to cry,
Life is you and I, alive, today.

"This is our EDITOR???"

As I reflect on this past year, I am glad I've had the opportunity to capture our moments together in the 1983 SHIELD. From the time I decided that the theme would be "Time Passages," I have often wondered how I would close the yearbook. And I told myself that I would end it with not just a farewell, but with a message for us all before we begin. Before we begin to enter other time passages.

I would like to express my sincere love and thanks to Mrs. Donna Johnston for all her time, cooperation, patience, and guidance not just for me as editor of the yearbook, but also as a best friend whom she has believed in and cared for beyond belief. Special thanks also to every teacher who has provided inspiration and knowledge to send me, and all of us, through the challenging phases of life before us. Finally, I would like to say thanks to all of you, my classmates, for the difficult times, the times of confusion, the laughter, and the happiness we have gone through together. As we board the train and travel down the track of life, let's aim for the best destination we can find. See you at the station.
